

Thank you for sharing that you were looking for more information about membership with the SWCC - Awesome! We have attached an application for you to fill out.

Strathmore Wheatland Chamber of Commerce is a vital part of the ongoing growth that is taking part in your community. We understand that in order to have a strong economic environment, we must have a strong community. We continue to grow our relationships with the town, county, MLA, MP, and other government officials - we're establishing better communications and room for effective advocacy.

The programs and events that we offer are intended to provide networking and educational opportunities that lead to support for businesses, and the acquisition of new insights, resources, and economic growth for all of our members. As one of our members, you have access to the value programs through the SWCC, the Alberta Chambers of Commerce, and the Canadian Chamber of Commerce. The added value programs help members secure discounts on some of the products and services that their businesses require.

Members can also take advantage of the Chambers group insurance plan. It is the simple, stable, smart choice for businesses; combining accessibility, flexibility, and stability of pooled benefits. The SWCC also heavily embraces social media and the opportunity that it provides for marketing and sharing information about our members.

Please don't hesitate to reach out to us if you have any other questions! Michael McCutcheon is our treasurer and will be in contact with you for all things relating to payment. For inquiries about the group insurance program, Todd Williams is knowledgeable of any details or clarification you might need. You can reach him at todd@twilliamsfinancial.ca

The application below also includes fees and payments - if you would like to pay via E-transfer, please make the password "newmember".
